

Violet Garden Bracelet

A charm bracelet design as fresh as a spring garden.

DESIGN BY Denise Varville (for TierraCast[®])

Instructions:

- **Create elements:** Use Hypo Cement or epoxy to glue the flatback rhinestones into the Glue-In charms and links and allow to dry. Create 3 purple bead links by stringing one 5mm Nugget bead, 1 purple flat oval bead, and a second Nugget bead onto an eyepin and forming a simple loop, then repeating twice. Create dangles by stringing 1 to 2 crystal and/or flower beads and 1 or 2 spacer beads as desired on a headpin and forming a simple loop. Repeat with the remaining beads and headpins for a total of 6 dangles.
- **Assemble bracelet:** Attach the clasp hook to one end of a purple bead link. At the other end of the link attach 3 jumprings in this order: one 4mm round jumpring, one 5mm jumpring, one 4mm jumpring. Before closing the last jumpring, attach a Glue-In link. Continue connecting all of the links in this manner, alternating the Glue-In links and purple bead links. Attach one 5mm jumpring and the clasp eye to the last Glue-In link. Using 4mm jumprings, attach 1 dangle and 1 Glue-In charm to each of the six 5mm jumprings. Attach Fern Frond charms as desired.

Techniques required: Basic stringing and wire wrapping, opening and closing jumprings, using adhesives

TIP: *If using epoxy, use a toothpick to dab a tiny amount onto the back of the rhinestones.*

Finished size: Approximately 8"

What You'll Need:

TierraCast Parts:

- 1 Vine Hook & Eye Clasp Set 94-6106-26
- 3 Dragonfly and/or Spiral Glue-In Link 94-3104-26, 94-3103-26
- 6 Assorted Glue-In Charms (94-2243-26, 94-2244-26, 94-2245-26, 94-2247-26, 94-2249-26, 94-2251-26 shown)
- 2-3 Fern Frond Charm 94-2125-26
- 8 5mm Nugget Spacers 93-0435-25
- 8-10 3-4mm Spacer Beads (93-0432-26, 93-0418-26, 93-0301-00 shown)
- 6 2" 21g Headpin 01-0028-09
- 3 2" 21g Eyepin 01-0027-09
- 6 5mm Round 16g Jumpring 01-0020-09
- 24-26 4mm Round 20g Jumpring 01-0024-09

Additional Materials:

- 3 Purple flat oval beads, approx. 9x12mm
- 9 Swarovski 2.6mm flatback rhinestones (SS9) in shade(s) of purple
- 8-10 Swarovski 4mm-8mm beads in shade(s) of purple
- 2-3 Assorted purple flower beads
- GS Hypo Cement or 5-minute epoxy

Tools:

- Chain-nose & Round-nose pliers
- Wire cutters
- Tweezers
- Jewel Setter stick for setting flatback rhinestones (optional)
